Donation Fundraising Program

GUIDELINES FOR THE ACCEPTABLE/NON-ACCEPTABLE DONATIONS

All items donated must be in good condition. **“sellable as is.”** We no longer repair, refinish or reupholster. Over the past 10 years, our repair workshops have been replaced with training programs. Goodwill has specific guidelines to help decrease the amount of “unsellable” items that are brought to us, since the cost of handling these items is very high and takes away from our vocational rehabilitation programs. **We do not take any broken items or furniture with holes, rips or stains.**

We can best use the following items that are clean, complete & in sellable condition:

- Antiques & collectibles
- Area rugs
- Artwork (*with/without frame*)
