### Northridge East Neighborhood Council

*Minutes of Meeting of Northridge East Neighborhood Council  
September 19, 2008, 7:00pm – Andasol Elementary School*

The meeting convened at 7:10pm, and was called to order by President Steve Patel.

**In Attendance:** Steve Patel (President), Yeprem Davoodian, Pam Butts, Nestor Fantini, Judith Nutter, Conner Lansdale (CSUN Student Rep), Caroline Moore, Don Dwiggins, Barry Greenberg (Secretary), Kelly Lord (Treasurer), Lucille Meehan, Steve Ramirez (Northridge Academy Student Rep.). Peter McCarty – joined the meeting at 7:40pm.

**Excused:** Tom Baker (1<sup>st</sup> VP) and Alice McCain (2<sup>nd</sup>)

**Minutes from October 15, 2008:** Revised by Barry Greenberg and approved unanimously. It was noted that Connor Lansdale (CSUN Student Rep.) was excused during the previous meeting.

**Comments from Public Officials** – Police officer Cathy Bennett discussed the new 3-1-1 system that will allow Los Angeles residents to call and report crime anonymously.

**Zelzah speed limit concerns:** The speed limit on Zelzah will be raised to 40mph due to traffic survey certification expiration and new Federal Policies for renewal.

1. Police officer Mark Cronin (tel: 818-644-8141) – Traffic Complaint Officer – spoke at length regarding pedestrian crosswalks and speeding issues on Zelzah. He opted for more “smart” crosswalks to reduce accidents. The community voiced its concern about fluctuating speed limits and the volume of cars on Zelzah. An updated traffic survey must be conducted for proper certification in order to enforce radars and lasers. Officer Cronin stated that he will continue to enforce a “safe” speed limit regardless of what the posted limit is.
2. Alan Willis (tel: 213-972-8430 [alan.willis@lacity.org](mailto:alan.willis@lacity.org)) – LADOT Bureau Chief of Operations – spoke at length regarding traffic surveying. A survey certification must be updated every 7 years in order to bypass new federal standards. Mr. Willis mentioned that the certification for Zelzah expired due to lack of staff available to perform the survey before the expiration date. Mr. Willis spoke of two pertinent reasons why new federal laws have changed traffic survey analysis: 1) case law has taken away the power of LADOT to justify lowering speed limits; 2) the new federal standard for surveying states that the speed limit must be rounded up to the

next 5mph. Mr. Willis noted that electronic enforcement is the most effective way to reduce speeding.

3. Solutions for Zelzah: Survey certification is necessary. Possibility of survey being redone to reflect the old standard. Discussion of flashing speed signs presented – **possible future action** – \$12,000 for speed feedback signs (can be funded by council and must have proper voltage in stop lights). Committee to convene later on the issue. No motions regarding this issue were presented at this time.
4. Northridge Academy student Steve Ramirez asked for support to form an assembly to educate students on crosswalk safety and driving. Council to help with funding if needed.

(Connor Lansdale left meeting early – Judy Nutter spoke on his behalf regarding foreign exchange student Yao Lu – CSUN – being struck by a car in a hit-and-run)
